African area	66
Asiatic area	25
South American area	28
European area	66

Teachers

- We've got 9 teachers in every class.
- Most of the teachers are well prepared and helpful.
- The teacher gives us the right homework.
- They are between 30 and 55 years old.
- Teachers aren't too strict.
- We've got teachers for students with Special Needs.
- The funniest teachers are Mrs. Fucina, Mrs. Crespiatico, Mrs. Brusa, Mrs. Galli, Mr. Martelli and Mr. Gardella.
- The head teacher is Mrs. Fucina. She's cool.

School Timetable

We have 6 lessons a day.

School begins at 8:00 and finishes at 2:00 p.m.

Every day the school timetable changes.

There are two breaks.

There are two breaks.  The first one is from 9:55 to 10:05. The second one is from 11:55 to 12:05.

Sometimes we go back to school for after-school clubs like: sports, drama  Latin or 

Latin or

[illegible]

Books and Materials

- Books: books aren't free. In every book there is a CD or DVD for homework and multimedial exercise.
- Maps: in every class there is a Geography map.
- Class: in each class there is a closet for our books and a computer with IWB for the lessons and an old blackboard with chalk. We haven't got lockers or food machine.
- Corridors: there are recycling bins.
- In the school a lot of art materials: felt pens, coloured pencils, watercolors, tempera, brushes and papers.
- In the gym some gymnastic materials: balls, mattresses, ropes for jumping, ball for throwing weight and wortex.
- In the school there are classrooms with special materials for example in the Science Room: skeleton, elements for experiments and chemical objects.

Technology

Our school is technological (materials and devices) and digital (to learn).

In each classroom there is an interactive IWB and a computer.

We have a lot of special classroom:

- IT classroom: in this classroom there is an IWB and 17 computers;
- Atelier creativo: in this special classroom there are 2 IWB, 8 computers, a green screen and 6 large and rectangular tables (for group works);
- Science classroom: in this classroom there is an IWB and a computer;
- Auditorium: a classroom with a big IWB and a computer (for meetings).

At school we sometimes do digitalized tests and school research on the net.

We use Google Apps too:

- ★ Drive: to share our teaching materials and to do our homework;
- ★ Classroom: to communicate with teachers.

Our parents can see the marks and our homework in the Electronic Register, filled and signed by teachers every day.

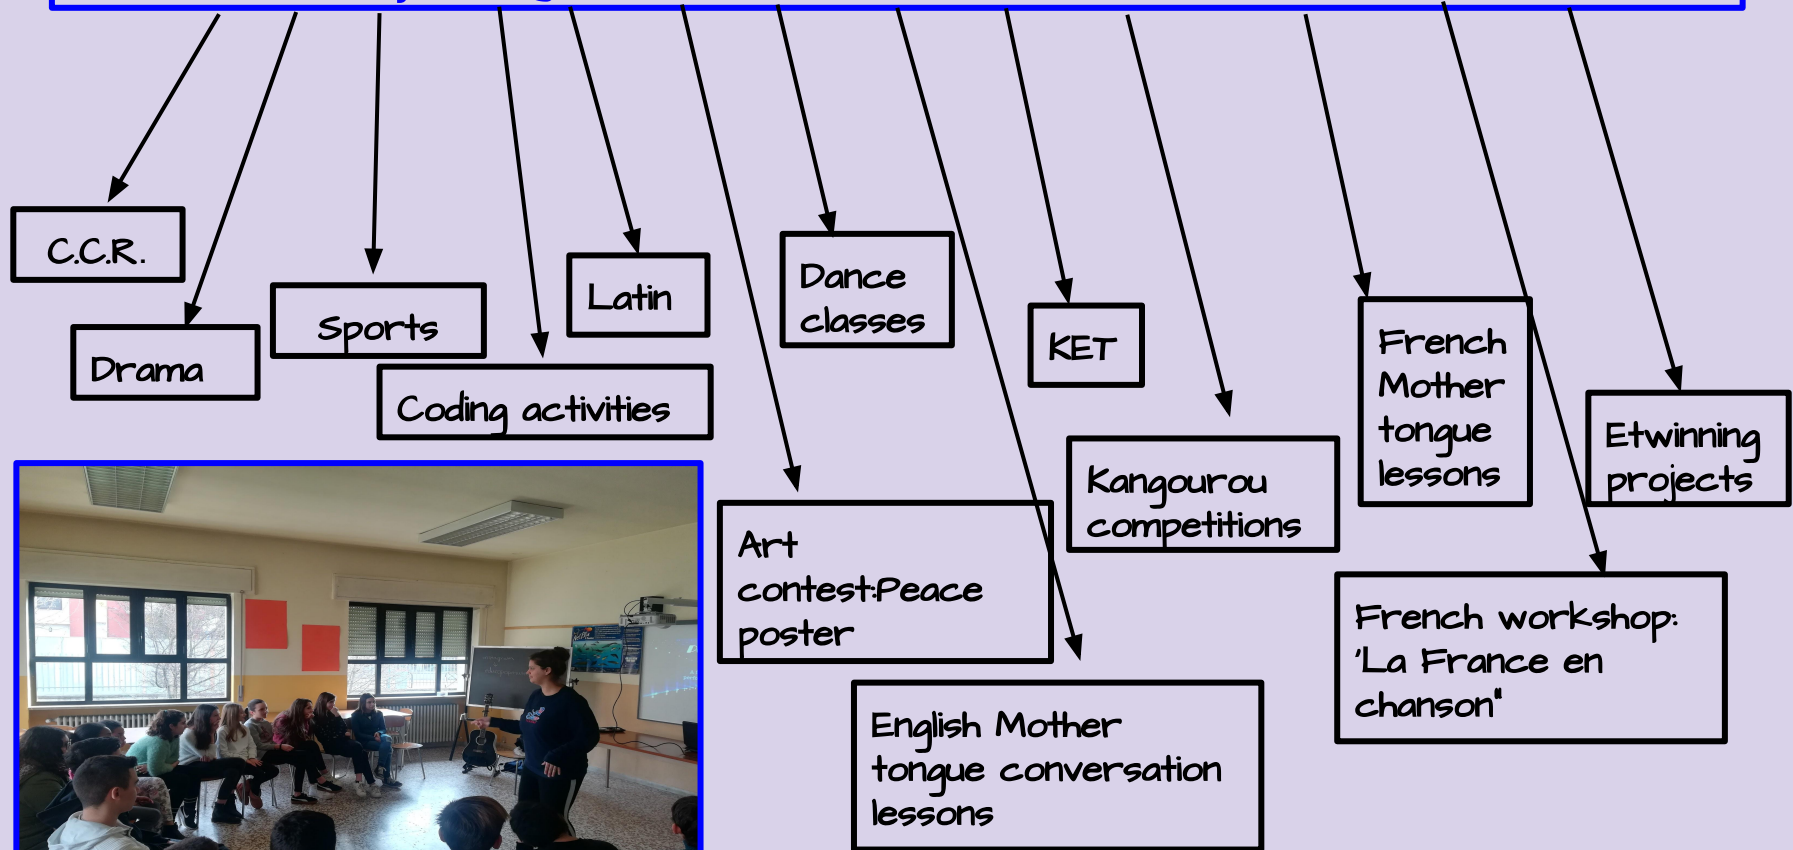

Our classroom.

IT classroom.

School projects and after school clubs

School Trips

In our school we went on many trips during the school years.

The most important trip is in April or May.

The first year we went to Parma and Fontanellato, in Emilia Romagna, an Italian region.

Then we went to the Ponchielli theater in Cremona a town in the north of Italy; and we visited the Museum of violin.

The second year we went to Arquà Petrarca and the Catajo castle. In March we went to Itis, a high school in Crema, a small town in Lombardy, to do a scientific workshop.

And this year? who knows? Surprise!

How we did this Presentation

- First we had a BRAINSTORMING in each class about the school's features.
- Then we divided in 12 groups and we chose a topic.
- After that we wrote the description on a separate document with Google Documents.
- Finally we prepared the slides on a shared presentation with Google Presentation.
- We worked at school in the IT room. We took most of the pictures and submitted a survey to all the school pupils about school subjects with Google Forms.
