"Life is a dream, realize it! Life is a challenge, meet it!  
Life is a duty, complete it! Life is a game, play it!"  
Mother Teresa

Questo progetto ha coinvolto insegnanti e studenti in attività interdisciplinari sui diritti umani e i teenager del XXI secolo, con i loro sogni e le sfide della nostra società nel loro percorso verso una cittadinanza più attiva e, speriamo, un nuovo futuro equo. Gli studenti hanno affrontato l'argomento in modo creativo. Hanno lavorato in gruppi nazionali che transnazionali, condividendo idee e utilizzando gli strumenti ICT per esprimersi e per cooperare con i loro partner internazionali in modo efficace e motivante.

## I bambini di Bagnolo chiedono la pace

La pace non è un concetto astratto, un traguardo da dover raggiungere con sforzo. La pace è uno stile di vita, una modalità di pensiero che deve essere interiorizzata da piccoli per diventare la normalità della vita di ciascuno. Ecco, quindi, che, a completamento dell'emozionante "momento della pace" organizzato dall'istituto comprensivo 'Rita Levi Montalcini' di Bagnolo Cremasco, l'amministrazione comunale ha chiesto ai bambini e ragazzi di preparare dei messaggi di pace con i colori vivaci della bandiera. Le loro bellissime opere resteranno appese al balcone del municipio simbolo di condanna della guerra.

I ragazzi della scuola grazie ai cartelloni conoscono i personaggi studiati dagli alunni della 3B che hanno implementato il progetto
